

The American Association of Variable Star Observers

Proudly Recognizes
Variable Star Observer

Fulvio Tabacco

for your invaluable contribution of over 1,000
Charge-Coupled Device variable star observations to the
AAVSO International Database through September 2022.

*...and it is a fact that only by the observation of variable stars
can the amateur turn his modest equipment to practical use, and
further to any great extent the pursuit of knowledge in its
application to the noblest of the sciences.*

William Tyler Olcott, 1911
Founder of the AAVSO

David E. Cowall, President

Brian K. Kloppenborg, Executive Director

Awarded at the 111th AAVSO Annual Meeting, held in Tucson, Arizona, on November 6, 2022.
